

# EASTER

## ***So All May Know: An Outward Facing Church***

### Discussion Questions

**Date:** April 28, 2019 | **Scripture:** John 20:19-23

1. Puppies aren't just for special occasions, and evangelism isn't just for Easter. How does this metaphor help you understand the nature of evangelism?
2. Grace has come to us so we can take grace to others. How does the grace you've received compel you to share that same grace with others?
3. None of us can change hearts, but we've also never met a person whom the Holy Spirit cannot change. How might this truth change the way you approach introducing your friends, co-workers, neighbors, family, etc. to Jesus?
4. In the worship guide was a prayer in the *sermon notes* section. It read, "Jesus, you have sent me to join your work in this world. Please order the rest of my day in love for the people you have given me to serve. Amen." What might your day look like if God answered this prayer? Or how have your past days looked praying this prayer?
5. Who exists in the spaces that God has sovereignly placed you in that you can share grace with during the month of May?

God invites you in to  
the work of sharing  
grace. You are  
entrusted with the  
message of  
forgiveness.
