

Upcoming Building Expansion

As we seek to continue to make disciples who make a difference, we are pursuing a modest building expansion that will allow us to continue to grow in depth of discipleship. This is the final phase of our McLean site, and will allow us to bring all ministries back to this building, expanding our capacity to offer grace-filled discipleship opportunities. For details on the background of this initiative and FAQs, please visit mcleanpres.org/building.

Building Goals

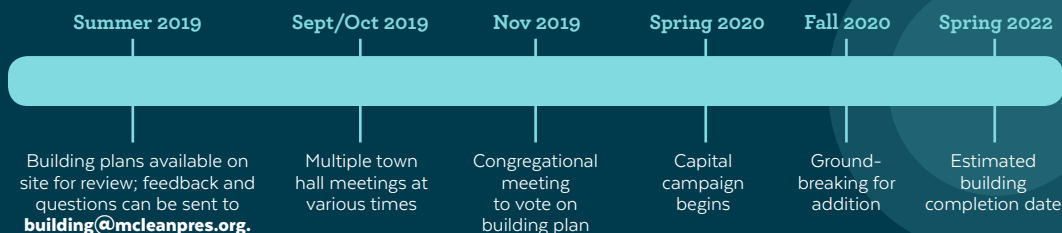

1. Secure children's wing: single location with lockdown
2. Student ministry on site
3. Adult ministry space – education and care – on site
4. Ample parking and admin space
5. Budget of approximately 2x annual budget

Learn More & Give Feedback

Before we make any changes to our church home, we want to hear from our church family! Our elected leaders have been helping guide the process and we want every member to be able to participate in this process.
