## Enjoying God: *in Community*

### Discussion Questions

Date: June 16, 2019 | Scripture: 1 John 1:1-4

1. Sunday's sermon began with an illustration centered around the destructive effects of solitary confinement. How might you be participating in a sort of self-inflicted solitary confinement?
2. In order to enjoy God in community, we must share God in community, but before we can share God in community we must see God for ourselves. How might you develop the habit of seeing God for yourself?
3. In order to enjoy God in community, we must share God in community. What makes sharing with other Christians difficult? What makes it easy?
4. Our fellowship as believers should show the world that Christ transcends and transforms all other worldly divisions. How have you experienced deep fellowship with someone who you might not otherwise be friends with?
5. In addition to community groups, what are some other ways that you may experience Christian fellowship?
