POSITION: **PRODUCTION LEAD (McLean)**

Status: Part-time, non-exempt, avg. 12 hrs./wk.
Reports to: Director of Technology

ABOUT US

McLean Presbyterian Church is part of the Capital Pres Family: one church with multiple locations. We exist to glorify and enjoy God by making disciples who make a difference through grace-filled worship, community, and mission.

Our aim is to make disciples through three ministry areas: worship, community, and mission. While activity in each area does not equal discipleship, we are confident that these are the contexts needed for deep spiritual growth. In these contexts, we navigate the nuances of life in Christ together, and that's how we make disciples.

POSITION SUMMARY

The Production Lead oversees the setup and operation of the Audio, Video, and Lighting (AVL) equipment for the McLean campus. The Production Lead will assist the Director of Technology in training and empowering volunteers to provide AVL services for Sunday worship. Most working time will be spent on Sundays supporting morning services and then preparing for the evening service (approx. 6-7 hrs.) with additional communication, planning, and preparation to be completed during the week (approx. 4-5 hrs.)

ROLES & RESPONSIBILITIES

- Oversees the successful preparation and operation of AVL systems in corporate worship for Sunday mornings.
- Assists in recruiting, scheduling, developing and supervising volunteer audio, video, and projection operators for Sunday worship services.
- Performs first-tier Sunday AVL troubleshooting.
- Contributes to the development of systems and processes to effectively serve and support the AVL needs of McLean Pres.
- Assists in maintaining McLean Pres. AVL equipment.
- Serves as AVL tech for McLean Pres events as needed.
- Opportunities to serve as AVL tech for third-party events (weddings, funerals, and conferences) as needed.
- Performs other duties as assigned.
