

2024 MISSIONS

Sermon Questions

Date: November 26, 2023 | Scripture: Leviticus 19:33-34

1. Read the passage from the sermon together. What do you find convicting? What do you find challenging? What do you find confusing?
2. God commands his people to love strangers in their midst as they love themselves. How does Israel's history inform the importance of this law? Why might Israel struggle to live this law out?
3. God roots this command to Israel in himself by saying "I am the Lord your God." How does loving strangers reflect God's image?
4. Have you ever felt like a foreigner? When have you been the stranger or outsider? What was that like?
5. Who are the strangers, foreigners, and outsiders in your community?
6. One of the key ways we show God's love to strangers is through hospitality. What does good Christian hospitality entail?

Inward Grace in Action

In ACE this week, Rob shared a bit about his hope for Capital Pres Fairfax's heart for missions. We are a church that wants to proclaim the gospel to our neighbors and to the ends of the earth. Each of us has a part to play in that!

- What is your experience with missions? Have you ever gone on a missions trip? Have you ever visited any of our missions partners?
- What might it look like for you personally to partner with our missions partners?

ACTION: Check out some of the missions partners Capital Pres Fairfax partners with. Here's a few (not all!) of the partners we will maintain relationships with as we particularize. Commit to praying for one of these partners through this month as a part of your regular rhythm of prayer.
