## Introduction

East-West facilitates Cuba for Christ, a church planting model focused on developing house churches in Cuba. Our church is invested in resourcing the province of Mayabeque, close to Havana.

## About East - West Cuba

### Mission and vision

The mission of East-West is to mobilize the Body of Christ to evangelize the lost and equip local believers to multiply disciples and churches among the unreached.

### Partnering to share the good news 2004 - present

Our church has partnered with East-West Cuba since 2004. Each fall, a team from our church visits the province of Mayabeque to share the gospel door-to-door and to encourage our Cuban brothers and sisters in Christ.

### Making a difference

#### Supporting our partners

Our donations support East-West's outreach and house-church planting efforts.
