Introduction

Since 1992, RCE has prevented suffering and abandonment by strengthening hundreds of families with at-risk children. Started by members within our own congregation and in partnership with other local churches, city and county governments, and businesses in Romania, RCE seeks to bring help and hope to poor families and abandoned children through education, poverty prevention, and orphan placement programs.

About RCE

Partnering to share the good news
1992 – present

Our church began partnering with RCE in 1992 when members Tracey Pilsch and Jim Perry co-founded the organization in partnership with other local churches. We frequently send teams to serve local leaders and expand their impact in country.

Making a difference.
Supporting our partners

Our annual giving pays for RCE's operating expenses, staff, facility maintenance, and outreach to the community.
