## HOW YOU CAN GET INVOLVED

### PRAY

- That the leadership of TLC would be given wisdom as they embark on a new building project and renovation of the center.
- That volunteers and staff would be given perseverance and encouragement in their work.
- That guests would feel welcomed and come to know the love of Christ during their time at The Lamb Center.

### GIVE

- Consider donating on The Lamb Center's website.

### SERVE

- Each month a team from McLean cooks lunch for the Lamb Center, reach out to Brad Waters on how to get involved.
- Donate non-perishable items and clothing to the center.

## Introduction

The Lamb Center is a daytime drop-in shelter for individuals experiencing homelessness in Fairfax, Virginia. They provide a variety of services without cost to guests, including breakfast, lunch, showers, laundry service, Bible studies, case management, AA meetings, a nurse practitioner clinic, a dental clinic, and much more.

## About The Lamb Center

### Mission and vision

The Lamb Center seeks to live out the compassionate heart of Christ by serving neighbors experiencing homelessness. The core values of Christianity are central to the Lamb Center's ministry: loving God with all one's heart, soul, mind, and strength; and loving one's neighbors as oneself. Through the variety of services they provide, they desire to be a community where everyone is known, cherished, and has a place to call home.

### Partnering to share the good news 2010 - present

Our church has supported the work of The Lamb Center since 2010, when Nancy Stone, a Lamb Center Board Member and longtime McLean Presbyterian Church member, referenced the work to our missions team.

### Making a difference

#### Supporting our partners

Our church's annual giving goes towards the yearly operating expenses at The Lamb Center.
