HOW YOU CAN GET INVOLVED

PRAY

- That the Lord would continuously provide funds for Third Millennium's production and distribution of pastoral resources.
- For Third Millennium's 20 indigenous field staff and over 800 partners worldwide. Pray that God would bless their ministries and protect them, particularly those in hazardous locations such as Ukraine, Israel, China, and South Asia.

GIVE

- Consider giving directly to Third Millennium at their website.

Introduction

Most pastors in the world have no theological education and no way to obtain one. Third Millennium meets this great need by providing free and accessible Biblical education online.

About Third Millennium

Mission and vision

Third Millennium's goal is to provide free, high-quality Christian education to hundreds of thousands of pastors around the world who lack sufficient training for ministry. Third Millennium is publishing and globally distributing a free multilingual, multimedia, digital seminary curriculum in English, Arabic, Chinese (Mandarin), Russian, Spanish, Swahili, and French.

Partnering to share the good news

Our church has supported Third Millennium for over fifteen years. In the past, we have been involved in helping Third Millennium create Swahili translations of their teaching materials.

Making a difference

Supporting our partners

Our financial contributions help Thirdmill produce and distribute educational content for pastors worldwide.
