HOW YOU CAN GET INVOLVED

PRAY

- Please pray for employment for many of the OVF members who need jobs, or better work to support their families.
- There are many unbelievers within the OVF community, please pray for the Holy Spirit to save the lost amongst the church.
- As the church continues to grow, please pray for leaders to be raised up in the church and trained to serve.

GIVE

- It will take several years before the members of OVF can support the church with their tithes. We need you to help lay the foundation of this new community of believers. Would you consider being a monthly supporter, or making a generous one-time gift?

GO

- Consider attending a worship service on a Sunday evening.

Church Planting 🏠 Evangelism +

Introduction

One Voice Fellowship (OVF) is a new multi-lingual church in Northern Virginia. They gather to experience a foretaste of Revelation 7:9, and to make Jesus known among their new neighbors.

About: One Voice Fellowship

Mission and vision

Est. 2021

OVF strives to be a gospel-centered church that glorifies God as “a light for the nations—so that all the world may be saved.” (Isaiah 49:6). They intentionally cultivate cultural and linguistic diversity, working to reduce barriers that often separate people. United in Christ, they believe that their voices and lives harmonize in a chorus of praise to God and service to one another. Compelled and enabled to love sacrificially for Jesus’ sake, they are confident that unity in diversity is a testimony to the world of what Christ alone can do as they “declare his glory among the nations!” (Psalm 96:3)

Partnering to share the good news 2021 - present

Our church began partnering with Pastor Chris Sicks when he planted the church in 2021. Since then the church has grown to 75-100 people and continues to be a beacon of hope for refugees in the Northern Virginia area.

Making a difference

Supporting our partners

Our support of One Voice helps with church planting costs and ministry expenses.
